OILS-18171 (1.32 gal)  
OILS-10171 (33.8 oz)  
OILS-20171 (4.2 oz)

The possibilities of printing to reproduce colors are limited. That is why there can be slight differences between the colors printed and the true shades. The shades as pictured were produced on oak. With other woods there may be differences. For this reason always make an original sample for approval.
